

 ALBA ROSE

Fine Ashes Jewellery

At the heart of Alba Rose lies a passion for creating fine ashes jewellery that is as beautiful as it is meaningful. Each piece is handcrafted by master goldsmiths and glassmakers who combine traditional techniques with modern artistry to create jewellery of rare beauty and meaning.

Crafted from luxurious precious metals and genuine Murano glass, every Alba Rose creation reflects our unwavering commitment to quality and detail. Made with care and finished to perfection, our jewellery is made to be cherished for a lifetime.

Ashes in Murano Glass

Our Murano glass gemstones are handcrafted by skilled glassmakers, a process unique to Alba Rose. A small portion of ashes are carefully sealed within the molten glass, resulting in a beautiful glass gemstone. A perfect way to honour your loved one and keep them close.

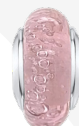

Available in 12 exquisite colours, each glass gemstone reflects its own emotion and meaning, reflecting beautifully as it catches the light.
